That's not to say there aren't games we like more, and we can play those more. For example, we play quite a bit of "Avengers" on the 360, and now we can also play it on the PS4. A lot of time we're playing to just hang out and have fun. We'll be glued to the TV for hours; it's a great pastime. Gotta do something while my kids are sleeping. Of course, I've seen not one, but two PS4s while I've been visiting - the one I mentioned, and the one they gave the kids as a prize. And while I'm
