

Much To Oracle's Chagrin, Pentagon Names Microsoft And Amazon As \$10B JEDI Cloud Contract Finalist

WASHINGTON COMPANIES' CLIMATE REPORT CARD

The nonprofit group CDP grades companies on how well they disclose and reduce their carbon emissions. Here's how Washington's five biggest companies fared:

 Microsoft	A	Full disclosure of emissions and aggressive emission-reducing strategies
 PACCAR	A-	Disclosed emissions and strategies, but only privately to CDP
 STARBUCKS	B	Emissions are growing, but slower than company revenues
 COSTCO WHOLESALE	C	Company goal is for emissions to grow more slowly than sales
 amazon	F	Did not respond to CDP questionnaire (for 13th straight year)
